# 1. MY MONTHLY STATEMENTS IN COMPASS DON'T MATCH MY 1099K

- Monthly statement totals and 1099k monthly totals are pulling different information so they will not match
- Statement monthly totals = transactions <u>settled</u> in that month (to align with deposits)
- 1099ks monthly totals = transactions <u>swiped</u> in that month (IRS Requirement)
  - Ex: a card swiped on Nov 30 will be on the 1099k in Nov but on the Dec Compass statement
  - View transactions the day they were entered this will show the breakdown and total for the month and should match what is on the 1099k
- While the monthly totals don't match, the total for the year matches

# 2. CLEARENT IS REPORTING MORE THAN WHAT I MADE

- In most cases, they have multiple MIDs and all accounts are linked to that one taxpayer account
- Click on 'Taxpayer Activity Summary' in Compass to see all MIDs linked to the TID

# 3. MY AMEX DIRECT AND/OR DISCOVER TRANSACTIONS ARE NOT ON MY 1099K

- IRS requires Clearent to report only card types we settle on the 1099k
- Statements show all sales
- Amex Direct sends their own 1099k. Discover can as well
- OptBlue comes thru Clearent

# 4. MY ACCOUNT IS CLOSED, WHY DID I GET A 1099K?

• IRS requirement to report on all activity for the calendar year, even if merchant closed during that year

# 5. WILL I RECEIVE A SEPARATE 1099K FOR EACH MERCHANT ACCOUNT?

- Merchant will receive a 1099k for each business that has a unique federal TIN
- 1099k includes sales for all accounts within the same TIN

### 6. HOW DO I GET THE BACKUP WITHHOLDING BACK THAT WAS TAKEN IN 2019?

- Merchant will need to present the 1099k to the IRS when filing their 2019 taxes
- If no money is owed to the IRS, the IRS will release the funds
- IRS has the funds, not Clearent

### 7. I NEED A CORRECTED 1099K

- Find out what needs to be updated
- If change in ownership or change in legal entity in 2019:
  - Merchant will need to be referred to their sales rep to reapply before a new 1099k can be reissued
  - Advise a form CP575 from the IRS showing the date of the change is required
- What can be changed without re-applying or obtaining a CP575 from the IRS?
  - o Typos
  - o Create SF case and assign to Customer Support
